Dear Mr. Purkait,

It was an excellent experience for our students as well as for us to have such an interactive workshop on Network Management with Ethical Hacking conducted by you on 17.02.2020 & 21.02.2020 at our Institute for B.Tech, Second Year CSE students.

Our students have gained both theoretical and practical knowledge during the entire session of the programme.

I take the opportunity to congratulate you for your efforts towards explaining the topics; hope to have several other sessions in near future as well.

Thanking you,

Rizwan
