Kolkata – 700029,  
West Bengal, India

Dear Mr. Purkait,

It was an excellent experience for our students as well as for us to have such an interactive Workshop on Network Management and Web Development, conducted by you during 24-8-15 till 10-09-2015, at our institute for MCA, IMCA & M.Tech. (CS) students.

Our students have gained both theoretical and practical knowledge during the entire sessions of the programme.

I take the opportunity to congratulate you for your efforts towards explaining the topics. Hope to have several other sessions in near future as well.

Thanking You
